So far we have raised, with your help, over \$185,000 for scholarships and gifts to youth sports and youth activities in several communities including Falmouth, Bourne, Mashpee & Dudley, Massachusetts. This year we are adding a gift to Bourne youth sports and a third \$10,000 gift to complete work at the Dupree Athletic Fields.

We are planning our biggest fundraiser yet with donations of one dozen golf outings, signed sports memorabilia by Hall of Fame members such as Carl Yastremski, Emmitt Smith, Mickey Mantle, Ted Williams and others, art, restaurant certificates, antiques and jewelry. Boston Red Sox vs. Yankees tickets are also available for our pre fundraiser promotion.

We are more than halfway to establishing 3 permanent endowments with a successful fundraiser this year, so that the work of the Jimmy Gahan Charitable Foundation can continue throughout the foreseeable future.
